

The Swiss Foundation for Tuberculosis Research invites applications for the

18th swissTB-Award in the amount of CHF 10 000.

The personal prize for the best research work in the field of tuberculosis is granted on the World-Tuberculosis-Day, 24th March 2018. All aspects of research, from the bench to the clinic, are welcome.

General conditions

- > Work accepted for publication or published in the year 2018.
- > Most of the research work done in Switzerland.
- > The prize goes to the first author.
- > swissTB-Award winners of the last 3 years are excluded.
- > Applications can be submitted online on www.swisstb.org.
Applicants have to register as a member in the swissTB-Network first.
- > Deadline: 31.12.2018
